Dear Lay Lay

I hope you are enjoying the most wonderful season of the year as much as I am. It is something to be very excited about as we approach the magical day of Christmas.

Did you have a good birthday this year? I heard you are 7 years old now. I hope you were able to blow out all your candles.

I understand you have been a very good girl this year. Well done, my friend. I am planning on making your house one of my first stops this year. I am taking the time to personally wrap your presents this year.

Lay Lay, I understand that you are going to be in 2nd grade and going to school with your little sister this year

Mrs. Claus and I think you have made some great achievements this year. I heard you want to be a doctor. My elves tell me that you have asked for a tent and make-up. I will do my very best for you.

My elves have been working hard this year to make everyone's dream and wishes come true. I gave them the day off today. They're having fun playing and throwing snowballs right now.

I still have lots of letters to write, if you are a good girl throughout the year I will make sure to write to you again.

If you could remember to leave a carrot or apple out for Rudolph before you go to bed, I am sure he would love that. Rudolph's dad is very proud of him.

Merry Christmas
